

The conference approves \$49,000,000, the amount allowed by the House of Representatives and the Senate for construction of the headquarters for the Central Intelligence Agency. The conference requests the Director of Central Intelligence to exercise the strongest efforts to stay within the sum provided. The conference further requests that none of these funds be obligated or spent until the Director of Central Intelligence has obtained from the appropriate local authorities written commitments for the construction of roads, sewerage treatment plants, public transport, and other local facilities which are deemed necessary by the Director to serve the site selected.
